wellness, education
and training services.

Roles and progression across industries and domains

All figures show cash salary at joining, in ₹ LPA. Names withheld.

What pay looks like at joining

PPO cohort (27 students)

Joining package:

₹6.5 for most PPOs (some at ₹6.7 based on employer)

Non-PPO offers (by domain)

Luxury & Experiential Hospitality

- Most offers at joining: ₹6–7
- Median at joining: ₹6.5

Property & Real Estate Services

- Most offers at joining: ₹5.5–6.5
- Median at joining: ₹6.0

(examples include sales and business development roles across property management services and travel platforms)

Consumer & Learning Services

- Most offers at joining: ₹4.5–5.5
- Median at joining: ₹5.0

Total rewards note: Some hospitality roles include meals, staff discounts and, in a few cases, accommodation or transport support. These are not added to the salary figures shown. They reduce living costs and can improve savings and take-home.

Three horizons of growth

If you join through a PPO at ₹6.5

Luxury & Experiential Hospitality (non-PPO examples)

Property & Real Estate Services (non-PPO examples)

Consumer & Learning Services (non-PPO examples)

Method in one line: Year-1 growth ~10%, Year-2 growth ~12% with a role upgrade around month 24 (~10%), Year-3 growth ~12%. Indicators, not guarantees; actual outcomes vary by role, city, and employer.

Day-one roles

Operations leadership tracks, sales and revenue, property and advisory, travel product and services, restaurant management.

How to read these numbers

- **Median at joining** = the middle salary among offers in that domain.
- **Most offers at joining** = the bracket where the largest number of offers fall.
- Figures are in **₹ LPA at joining**. In-kind benefits depend on the employer and change effective take-home.
